PINELLAS COUNTY FATALITY REVIEW TEAM

My signature below indicates that I understand the following:

- 1. The purpose of the Fatality Review Team is to conduct a full examination of domestic violence related death incidents.
- 2. No material will be taken from the meeting with case identifying information.
- 3. The confidentiality of the information and records is governed by applicable Florida Law.
- 4. Team discussions are confidential: No findings will be discussed outside the room except as noted in minutes and reports to the community (in aggregate form).
