

Henrico County Family Violence Fatality Review - Case Facts Form

Review Date(s):

(1) Case #:

VAFRIS #:

I. Primary Information

Answer the following questions about the fatal event that occurred between the Alleged Offender (AO) and the Primary Decedent (PD):

AO =

PD =

(3) Date of death:

Day of week:

(4) Address of fatal event, to include ZIP:

Magisterial District: Brookland Fairfield Three Chopt Tuckahoe Varina

(5) Type of location where fatal event occurred:

PD's residence/home, including yard, driveway, parking lot

AO's residence/home, including yard, driveway, parking lot

Hotel/motel, including parking lot and lobby*

PD's workplace*

AO's workplace*

Business/store, including parking lot

Woods, body of water, clearing/field

Street, alley, sidewalk

Car

Other (specify)

Unknown

*Name of Business, if applicable:

If residence of involved party(ies), length of time at address for PD: For AO:

Current and past residential addresses for PD:

Current and past residential addresses for AO:

(6) Type of Death: Homicide Multiple Homicide Homicide-Suicide Multiple Homicide-Suicide

Cause of Death:

(7) Number of people that died in fatality event:

(8) Status of AO at time of review:

Not Charged
Deceased
Awaiting trial

Convicted
Acquitted
Case dismissed/dropped

Fled
Other (specify):

AO charged with:

Plea:

Sentence:

(8a) If convicted, of what charge(s)?

Involuntary Manslaughter
Voluntary Manslaughter
Second-Degree Murder

First-Degree Murder
Other (specify):
Unknown

Appeal: Yes No

Details:

(10) Was the PD a past or current intimate partner of the AO?

Yes No

(10a) If "Yes" (*Intimate Partner Homicide*), the PD was the AO's:

Dating partner
Current Girlfriend/Boyfriend, never married
Current Girlfriend/Boyfriend, previously married
Ex-Girlfriend/Boyfriend, never married
Fiancé

Spouse, separated
Spouse, not separated
Ex-Spouse
Desired partner (unrequited love)
Other (specify):

(11) Did this death occur as either a direct or indirect result of the relationship between two intimate partners?

Yes No

(11a) If "Yes" (*Intimate Partner Associated Homicide*), the PD was the AO's:

Friend
Family member (including child)

Friend of AO's former/current intimate partner
Family member of AO's former/current intimate partner

Co-worker
 Neighbor
 Bystander
 Law Enforcement Officer
 Former/current partner of the AO's
 former/current intimate partner

Co-worker of AO's former/current intimate partner
 Subject of law enforcement
 Acquaintance
 Other (specify):

(12) Is the PD a family member of the AO? Yes No

(13) For Family Members, was the AO a caretaker for the PD? Yes No

(13a) If "No" (*Family Homicide*), the PD was the AO's:

Biological parent	Biological child	Biological sibling	Grandparent	Other (specify):
Step-parent	Step-child	Step-sibling	Aunt/uncle	
Adopted parent	Adopted child	Adopted sibling	Niece/nephew	
Foster parent	Foster child	Foster sibling	Cousin	

(14) For Non-Family Members, was the AO a caretaker for the PD? Yes No

(14a) If "No" (*Other Domestic Violence Homicide*), the PD was the AO's: Stranger Stalking victim Other (specify):

(15) Was the PD a minor? Yes No

(15a) If "Yes" (*Child by Caretaker Homicide*), the PD was the AO's:

Child of AO's former/current intimate partner	Biological sibling	Babysitter
Biological child	Step-sibling	Day Care Client
Step-child	Adopted sibling	Other (specify):
Adopted child	Foster sibling	
Foster child		

(15b) If "No" (*Adult by Caretaker Homicide*), the PD was the AO's:

Biological parent	Biological child	Biological sibling	Grandparent	Patient of in-home care
Step-parent	Step-child	Step-sibling	Aunt/uncle	Nursing home resident
Adopted parent	Adopted child	Adopted sibling	Cousin	Other (specify):
Foster parent	Foster child	Foster sibling		

(16) AO was: DV Perpetrator DV Victim Other/3rd party
 PD was: DV Perpetrator DV Victim Other/3rd party

II. Event Factors

Answer the following questions about the fatal event that occurred between the AO and the PD:

(17) How many children were present during the fatal assault?

(17a) Describe each child's exposure to the assault:

Injured during the fatal event	Found the decedent injured or dead
Was within visual range of the assault	Other (specify):
Was within hearing range of the assault	Unknown

(18) Was a firearm involved in the fatal event?

Not involved	Used to threaten an involved party	Present in the home where	Other (specify):
Used as fatal agent	Gun subject of an argument/conflict	injury occurred	Unknown

If "No," could AO have easily obtained one? Yes No Unknown

(18a) If a firearm was involved, how did the AO come to possess it?

Owned it legally	Stole it from family/friend	Borrowed it from family/friend	Unknown
Owned it illegally	Stole it from other	Other (specify):	

(18b) If a firearm was involved, what kind?

Handgun	Shotgun	Semi-Automatic	Unknown
---------	---------	----------------	---------

Rifle

Automatic

Other (specify):

(19) What factors were related to the motive or argument/conflict that immediately precipitated the fatal event?

Intimate Partner and Intimate Partner Associated Homicide Only:

Disparaging past or current partner

Two persons fighting over the same intimate partner

Infidelity

Non-biological child/children

Existence/perception of a new partner

Pregnancy/Addition of new child

Termination of relationship/break up

Child by Caretaker Homicides Only:

Neglect by caretaker

Difficulty with child's needs (crying, not eating, hygiene)

Disciplining a child

Adult by Caretaker Homicides Only:

Neglect by caretaker

Difficulty with adult's needs (hygiene, support)

All Homicides:

Argument/topic not specified by source

3rd party intervention, including law enforcement

Party felt "disrespected"

Assisted death (i.e., mercy killing)

Existing mental health issues

Commission of a crime (e.g., burglary)

Drugs

Financial issues

Money

Self defense

Property

Alcohol/Substance use/abuse

Sexual assault/attempted sexual contact

Other (specify):

Child custody, visitation, or support

Unknown

Civil/criminal court proceedings (divorce, custody, battery)

III. Relationship Factors

Answer the following questions about the relationship between the DV Perpetrator (DVP) and the DV Victim (DVV):

DVP =

DVV =

(20) Relationship Status at Time of Homicide:

Dating
Married

Civil Union/Domestic Partnership
Divorced

Separated
Other (specify):

(21) Length of Relationship:

(22) Cohabitation Status: Living together at time of event Never lived together Unknown
 Lived together previously Other (specify):

Details:

Infidelity Hx: Yes No Unknown

Details:

(23) Children in common? Yes No Unknown

Names, ages, and where living at time of death:

Children of PD and/or Domestic Violence Victim (names, ages, and where living at time of death):

Children of AO and/or Domestic Violence Perpetrator (names, ages, and where living at time of death):

Previous abuse/neglect (suspected or confirmed) related to children:

(24) Indicate which lethality factors were present in the relationship **before** the fatal event:

Increased severity or frequency of physical violence
over the year leading up to the event

Perpetrator owned or had access to a firearm at time of event

Victim left Perpetrator after living together during the year
leading up to the event

Perpetrator was unemployed at time of event

Perpetrator ever used/threatened victim with a weapon

Perpetrator ever threatened to kill victim

Perpetrator ever avoided being arrested for domestic violence

Victim had a child(ren) not in common with perpetrator

Perpetrator ever sexually assaulted victim

Perpetrator ever tried to strangle victim*

Perpetrator abused illegal or prescription drugs

Perpetrator abused alcohol

Perpetrator was controlling of victim

Perpetrator was jealous toward victim

Perpetrator ever beat victim while pregnant

Perpetrator ever threatened or tried to commit suicide

Perpetrator threatened to harm victim's children

Victim believed he was capable of killing him/her

Perpetrator stalked victim

Victim ever threatened or tried to commit suicide

None

Unknown

Other (specify):

*Details of any previous strangulation Hx related to parties:

Other details related to above factors:

Did AO/DVP threaten to injure or injure pets? Yes No Unknown

(25) What other factors were present in the relationship between the DV Perpetrator and the DV Victim before the fatal event?

Intimate Partner and Intimate Partner Associated Homicides Only:

- Infidelity (perceived or actual)
- Two persons fighting over the same intimate partner
- Victim tried/did leave relationship

Child Homicide by Caretaker Risk Factors Only:

- Caretaker not biologically related to child
- Child under age 5
- Child with special needs
- Difficulty with child's needs (crying, not eating, hygiene)
- Lack of suitable childcare
- Lack of support/social isolation

- Low income of parents/caretakers
- Parent/caretaker is young
- Parent/caretaker unable to care for too many children in household
- Prior reported or investigated neglect/abuse by caretaker
- Single parenthood
- Unstable housing

Adult Homicide by Caretaker Homicide Only:

- Assumption of care-giving responsibility
- Caretaker is young
- Difficulty with adult's needs (hygiene, support)
- Adult with special needs
- Financial exploitation

- Inadequate training on care for the adult
- Lack of support/social isolation
- Prior reported neglect/abuse by caretaker
- Professional care not affordable
- Professional care unavailable

All Homicides:

Prior violence against victim:

- Domestic violence incidents between the perpetrator and victim, including physical and verbal abuse*
- Perpetrator held victim against his/her will

- Perpetrator threatened to kill victim
- Perpetrator used suicide threats
- Increased physical violence over past year (frequency

Perpetrator sexually assaulted victim
Perpetrator strangled or choked victim
Perpetrator threatened victim with a weapon (including guns)

and/or severity)
Perpetrator dominance or control in relationship

*Details of prior abuse:

Violence against domestic violence victim's associates/property:

Perpetrator attempted/threatened/did -
break and enter into victim's home
harm victim's children
destroy victim's property

harm victim's pet (not livestock)
harm victim's family or friends

Criminal justice system involvement:

9-1-1 calls involving the perpetrator and victim
Civil/criminal court proceedings (divorce, custody, battery)
Other law enforcement involvement between perpetrator and victim
Perpetrator violated a protective order granted to victim
Perpetrator was arrested for domestic violence against the victim (i.e. physical/sexual assault)

Perpetrator was convicted of domestic violence offenses against the victim (i.e. physical/sexual assault)
Perpetrator avoided arrest
Victim sought protective order against perpetrator
Victim was granted protective order against perpetrator

Other factors

Child custody, visitation, and/or support issues
Financial issues (to include economic abuse)
Relationship instability
Victim believed perpetrator was capable of killing her/him
Victim was dependent on perpetrator
Victim was emotionally insecure

Substance or alcohol abuse/use
Family dissolution/violence
Perpetrator owned or had access to a firearm
History of resentments or conflicts
Property in dispute

Perpetrator/Victim History (in part adapted from the ACE Study <http://www.cdc.gov/violenceprevention/acestudy/index.html>)

Perpetrator was a victim of child abuse or neglect (including sexual abuse)
Perpetrator was witness to violence in household as a child
Perpetrator's parents were separated or divorced
Perpetrator lived with someone who was a problem drinker, alcoholic, or who used street drugs as a child

Perpetrator lived with a household member that was depressed, mentally ill, or attempted suicide as a child

Perpetrator, as a child, had a household member or close family member go to prison

Victim experienced prior physical or psychological abuse by another person

Victim was a victim of child abuse or neglect (including sexual abuse)

Victim was witness to violence in household as a child

Victim's parents were separated or divorced

Victim lived with someone who was a problem drinker, alcoholic, or who used street drugs as a child

Victim lived with a household member that was depressed, mentally ill, or attempted suicide as a child

Victim, as a child, had a household member or close family member go to prison

Details (in part, adapted from the Power and Control Wheel developed by Domestic Abuse Intervention Project (1984)

Answer the following question for each Decedent (Primary and Secondary, including the Alleged Offender in cases of Homicide-Suicide):

	<u>Primary Decedent</u>	<u>Secondary Decedent</u>	<u>Alleged Offender</u>
(44) Fatal agent (ME's report):	Firearm Sharp instrument Blunt instrument Motor vehicle Poison/drugs/carbon monoxide Fire/smoke inhalation Strangle/choke/hang Smother/suffocate Drown Personal weapon (hand, foot, other body parts used to strike, kick, or shake) Push/slam/throw to ground or against wall or object Undetermined Other (specify) Unknown	Firearm Sharp instrument Blunt instrument Motor vehicle Poison/drugs/carbon monoxide Fire/smoke inhalation Strangle/choke/hang Smother/suffocate Drown Personal weapon (hand, foot, other body parts used to strike, kick, or shake) Push/slam/throw to ground or against wall or object Undetermined Other (specify) Unknown	Firearm Sharp instrument Blunt instrument Motor vehicle Poison/drugs/carbon monoxide Fire/smoke inhalation Strangle/choke/hang Smother/suffocate Drown Personal weapon (hand, foot, other body parts used to strike, kick, or shake) Push/slam/throw to ground or against wall or object Undetermined Other (specify) Unknown

For questions 45 – 50b, see Secondary Decedent(s) Addendum (IV (a)) at end of document

V. Perpetrator Criminal History

Answer the following questions about the Domestic Violence Perpetrator (and the Perpetrator's history with the Domestic Violence Victim):

(51) Hx of criminal offenses (note dates beside checked offenses):

None	Malicious/Unlawful wounding	Strangulation
Abduction	Manslaughter	Substance abuse/possession
Assault/Battery	Murder	Trespassing
Breaking and Entering	Neglect/abuse	Truancy
Burglary/Theft/Robbery	Public intoxication	Violation of PO
Destruction of Property	Sexual assault	Weapons-related
DUI	Stalking	Other (specify):
Larceny	Status offense (e.g., smoking)	Unknown

Details:

(52) Of these offenses, how many were related to domestic violence?

All Most Some A few None Unknown

(52a) What were the results of any history of DV-related criminal offenses?

Convicted of DV-related offense	Nolle Prossed	Treated as 1 st Offender
Convicted of lesser charge	Not guilty (proceeded to trial)	Other (specify):
Dismissed (never proceeded to trial)	Dismissed (deferred disposition)	Unknown

(52b) If ever convicted of a DV-related offense, what sentence or treatment was ever mandated:

Jail or prison time	Domestic violence program/therapy	Restitution
Anger management program	Probation	Firearm Restrictions
Batterer intervention program	Substance abuse therapy/treatment	Other (specify):
Counseling/mental health therapy	Community Service	Unknown

(52c) If sentenced to jail or prison time, was time served ever suspended or commuted? Yes No Unknown

(52d) For any history of sentencing or treatment mandate, was the Perpetrator compliant with these mandates at the time of the fatal event?

Yes No Unknown

(53) History of calls for service (emergency and non-emergency) involving the perpetrator prior to fatal event:

Calls for service	Calls for service related to DV involving the victim
Calls for service related to DV	Other (specify):
Calls for service involving victim	Unknown

List calls for service details:

(53a) For any DV-related calls for service involving the victim, indicate what actions were ever taken as a result:

None	Victim was informed of victim rights
Perpetrator was arrested on DV charges	Medical assistance was offered/provided
Perpetrator was arrested on non-DV charges	Transported victim to hospital, shelter, or magistrate
Victim was arrested on DV charges	EPO was issued on behalf of victim
Victim was arrested on non-DV charges	Incident report
Perpetrator was identified as predominant physical aggressor	Other (specify):
Victim was referred to DV/other resources	Unknown
Victim was provided information on POs	

Prior juvenile criminal history of AO and/or Domestic Violence Perpetrator:

PD/Domestic Violence Victim Criminal History

History/details of calls for service (emergency and non-emergency) involving the victim (other than above) prior to fatal event:

*Who:

(70) In the team’s opinion, did the availability or coordination of community services contribute to the cause of death?

Definitely

Probably

Unsure

Probably not

Not at all

(70a) If definitely or probably, explain why:

(71) What gaps in services, service coordination or communication were identified?

(72) Of the interventions that were provided, what needed to be expanded and improved?

(73) What system strengths or assets were identified?

(74) List recommendations for improvements below.

Law Enforcement -

Prosecution -

Courts -

Corrections -

Probation -

Victim Services -

Medical Services -

Mental & Behavioral Health Care -

Legislation & Public Policy -

Other Community & Social Services –

What are the similarities to previous cases?

What are the unique traits/facts about this case – not seen in other cases?

What recommendations can be made for the future (i.e. enhanced systematic and/or community responses, enacted policies, law, or procedures)

Additional case information:

IV(a). Secondary Decedent (SD) Addendum (copy and complete section for all secondary decedents)

SD=

(45) Was the SD a past or current intimate partner of the AO? Yes No

(45a) If "Yes" (*Intimate Partner Homicide*), the SD was the AO's:

Dating partner	Spouse, separated
Current Girlfriend/Boyfriend, never married	Spouse, not separated
Current Girlfriend/Boyfriend, previously married	Ex-Spouse
Ex-Girlfriend/Boyfriend, never married	Desired partner (unrequited love)
Fiancé	Other (specify):

(46) Did this death occur as either a direct or indirect result of the relationship between two intimate partners? Yes No

(46a) If "Yes" (*Intimate Partner Associated Homicide*), the SD was the AO's:

Friend	Friend of AO's former/current intimate partner
Family member (including child)	Family member of AO's former/current intimate partner
Co-worker	Co-worker of AO's former/current intimate partner
Neighbor	Subject of law enforcement
Bystander	Acquaintance
Law Enforcement Officer	Other (specify):
Former/current partner of the AO's former/current intimate partner	

(47) Is the SD a family member of the AO? Yes No

(48) For Family Members, was the AO a caretaker for the SD? Yes No

(48a) If "No" (*Family Homicide*), the SD was the AO's:

Biological parent	Biological child	Biological sibling	Grandparent	Other (specify):
Step-parent	Step-child	Step-sibling	Aunt/uncle	
Adopted parent	Adopted child	Adopted sibling	Niece/nephew	
Foster parent	Foster child	Foster sibling	Cousin	

(49) For Non-Family Members, was the AO a caretaker for the SD? Yes No

(49a) If "No" (*Other Domestic Violence Homicide*), the SD was the AO's: Stranger Stalking victim Other (specify):

(50) Was the SD a minor? Yes No

(50a) If "Yes" (*Child by Caretaker Homicide*), the SD was the AO's:

Child of AO's former/current intimate partner	Biological sibling	Babysitter
Biological child	Step-sibling	Day Care Client
Step-child	Adopted sibling	Other (specify):
Adopted child	Foster sibling	
Foster child		

(50b) If "No" (*Adult by Caretaker Homicide*), the SD was the AO's:

Biological parent	Biological child	Biological sibling	Grandparent	Patient of in-home care
Step-parent	Step-child	Step-sibling	Aunt/uncle	Nursing home resident
Adopted parent	Adopted child	Adopted sibling	Cousin	Other (specify):
